

CONDOR SENTRY PLATE CARRIER

Stay safe and comfortable when in the line of duty by wearing the Condor Sentry Plate Carrier. This plate carrier vest is an updated version of our classic Compact Plate Carrier. Designed to have a supportive performance fit, this vest includes adjustable shoulder straps with removable anti-slop shoulder pads along with a breathable 3D mesh liner. It also includes quick cinch adjustments for the front and hook and loop adjustments on the shoulders which make it much more comfortable to wear for long periods of time. The plate carrier is capable of holding standard armor plates and comes with an emergency drag handle as well as convenient quick release buckles. This Condor Outdoor plate carrier vest is perfect for a wide variety of rapid response situations.
